## Adequate Yearly Progress (AYP)

**High Designation:** Continuing Exemplary

Nevada State High School has been classified as a school which demonstrated Adequate Yearly Progress during the 2010-2011 school year. Classification as demonstrating AYP is due to the school's meeting all No Child Left Behind criteria in the areas of English language arts (ELA), mathematics, and the school-wide other indicator.

## Summary of Standards-Based Test Performance

Nevada uses the High School Proficiency Exam (HSPE) to measure student achievement relative to Nevada's academic standards. Data in this table are a compilation of test results for grades represented at this school and may not represent the figures that were used to determine this school's Adequate Yearly Progress. For grade-specific assessment results and other assessment information, refer to the Nevada Report Card Website at [www.nevadareportcard.com](http://www.nevadareportcard.com).

ED = Percentage of students performing in the lowest range of achievement (Emergent/Developing)  
 AS = Percentage of students performing in the Approaches Standards range of achievement  
 MS = Percentage of students performing in the Meets Standards range of achievement  
 ES = Percentage of students performing in the highest range of achievement (Exceeds Standards)

⊠ indicates data not presented for groups fewer than 10.

'N/A' indicates that data are not available.

As a result of substantive changes to the content and rigor of the 2011 reading assessments, direct comparisons should not be made between 2011 performance and performance in previous years.

## Per-Pupil Expenditures 2009-2010

The Nevada Department of Education in consultation with In\$ite adjusted the formula used to calculate per pupil expenditures beginning with the 2009-2010 Annual Reports of Accountability. Therefore, we have two appropriate comparisons sets; comparisons 2003-04 SY through 2008-09 SY and comparisons of 2009-10 SY and forward.

Nevada State HS Total Cost Per Pupil = \$4,226.75  
 District Total Cost Per Pupil = (No data found)

**Per-Pupil Expenditures By Category**

Schools showing only \$0 have not been in operation long enough to have data for 2009-2010.

## Parent/Community Involvement

Parents have been involved in NSHS since its initial charter. NSHS utilizes several methods of communication with parents including: e-newsletters, on-line parent classroom, personal conferences, direct phone calls and emails, website, mandatory parent meeting, and PIP (Parent in Partnership) meetings where parents get assistance as they work through the college process, including a special session of college financial aid. The Governing Body also has an ex-officio position that can only be filled by a parent of a NSHS student.

Note: District totals do not include state or district sponsored charter school data.

The development of this annual school accountability report is a joint effort among the Nevada Department of Education, Otis Educational Systems, Inc., and Nevada school districts. This report is provided to the public as required by the federal No Child Left Behind Act and NRS 385.347. A comprehensive listing of all accountability data, including student test data, may be accessed on the Nevada Annual Reports of Accountability website at [www.nevadareportcard.com](http://www.nevadareportcard.com).
