**NOTE: By State law, students must adhere to the required number of courses by grade level (6 classes for 11<sup>th</sup> & 4 classes for 12<sup>th</sup>) including mandatory classes as outlined in the Academic Plan each semester or will be considered a non-enrolled student. It is the student's responsibility to maintain the number of classes.**

<sup>1</sup> College placement tests determine math and English classes. Classes lower than 100 level do not count for college credit. Math (Prep, 091, 093, 122 or 123) do not count for high school math credit.

<sup>2</sup> The mandatory two-week course scheduled daily in mid-August. 2<sup>nd</sup> year students can take ½ credit of summer school or submit 60 hours of volunteer service to be exempt their 2<sup>nd</sup> year.

<sup>3</sup> Students meeting requirements may request an exemption from study skills including: passing State Exams, placing out of college remedial, passing ALL classes, >2.0 college GPA, meet all NSHS deadlines/responsibility.

- Students are responsible for meeting all high school graduation requirements as documented in the NSHS Student Handbook
- Students are limited to taking courses at NSC and UNLV. See the NSHS Student Handbook for options
- 11<sup>th</sup> grade students who are limited to 3 college classes will need to supplement with a high school course
- Students may complete an extra course appeal if they are eligible to take 5 college classes – students are responsible to pay for these courses
