## Our City

Las Vegas is billed as the Entertainment Capital of the World. During certain times of the year, individuals could find themselves snow skiing at Mt. Charleston in the morning, jet/water skiing at Lake Mead in the afternoon, and taking in the five-star dinner and a Broadway production in the evening on the Las Vegas Strip. It is a 24-hour town that has a world of possibilities for those looking to pursue their career and enjoy a quality of life.

Whether living in the metropolitan area of Las Vegas, unincorporated areas of Clark County, or the suburbs of Summerlin, the City of North Las Vegas, the City of Henderson, or the City of Boulder City individuals will be no more than 40 minutes from it all. These places are known for their quality of life from hiking at Red Rock Canyon to the nationally recognized parks and interconnected bike trails throughout the valley.

## Our School Network

Nevada State High School (NSHS) is a growing network of public charter schools with a mission to support 11<sup>th</sup> and 12<sup>th</sup> grade students in a college environment with personal, academic and social skills. All schools use an early college model (dual credit/concurrent enrollment) where the students take 3-5 college classes (online or in person at the college) each semester. This gives students a real college experience. The Chief Executive Officer is part of a six-person leadership team that is expected to work in a proven business operating system called EOS<sup>®</sup> and has responsibilities of following: leadership, management, accountability, profit/loss, network performance, and special projects.

## Our Core Values

- Own it (Take responsibility for your actions)
- Be Committed (Perform at the NSHS standard)
- Continuous Improvement (Motivation to improve self and others)

## Our Data

- 100% college ready graduates following Nevada State High School's proven process (mission, measurement, monitoring)
- Over 90% college going rate directly out of high school
- Top performing school in Nevada (earning five star designations and exemplary status)

Students, parents, staff, and our community of supporters who chose to be a part of NSHS need to believe and support these core values or they find it increasingly difficult to succeed.
